

The Kings Point Athletics Department is pleased to announce Heidmar Inc. as the National Title Sponsor for the 2003 Blue & Gray National Golf Classics.

"We are honored to have Heidmar as our National Title Sponsor," states Sue Petersen Lubow, Director of Athletics. "Heidmar is a company that has embraced the value of Kings Point. Becoming our national title sponsor is just one example of Heidmar's commitment to Kings Point and to the midshipmen, who are the future of the maritime industry." Heidmar has provided lecturers in the area of special cargo handling and has been active in other areas. They have also provided sea year midshipmen billets on occasion and are in the process of getting more involved in the KP Internship program.

The Blue & Gray is proud to announce that in 2003 there will be six Heidmar Blue & Gray National Golf Classics. The Heidmar Blue & Gray Classics kicked off May 1st in Houston, TX, a newcomer this year. The other five outings include the following: New York (July 28), Pennsylvania (August 11), Washington, DC (September 8), Florida (October 30) and California (November 13).

Heidmar, which was formed in October 1984, is a privately owned logistics company in the energy industry. Heidmar was initially involved in the commercial operation of product tankers (30,000 to 40,000 DWT). Today, Heidmar is a holding company with four distinct business streams: commercial management of vessels, pool management, information technology and offshore lightering. The company now has a staff of 65 people and has offices in the United States, the United Kingdom, Singapore and Venezuela.

Heidmar has long been a supporter of Kings Point Athletics and the Blue & Gray Golf Classics. This connection begins with the having six Kings Point alumni on the staff. These alumni include: Captain John Hill '67 (Port Clearance and Vetting Director for Heidenreich Marine), Tim Brennan '87 (President of Heidenreich Marine), Peter Renehan '87 (Sales/Support for Heidenreich Innovations), Gregory Kornilov '96 (Scheduling and Logistics Manager for Heidenreich Lightering Services), Kevin Wise '98 (Freight Trader of Heidenreich Marine), and Joe Garin '01 (Vessel Manager for Heidenreich Marine).

"We are proud to be in a relationship with Heidmar. They are a professional, inspiring and forward-thinking company," added Petersen-Lubow. "We truly appreciate their past and present support."

For more information regarding any of the 2003 Heidmar Blue & Gray Golf Classics, please contact Tina Phillips at 506-773-5325 or [phillipst@usmma.edu](mailto:phillipst@usmma.edu).
